Lighting Vote Results....

OK!! Results are finally tallied...drum roll please...

Those in favor of lights: 131

Those against lights: 52

Although I wish more people had participated in the vote, and I sincerely thank those of you who took the time to fill out and mail in the ballot, it seems we have an overwhelming YES for the lighting project.

The board will be having another conversation with our lawyer to make sure all I's are dotted and T's crossed before we sign a contract with PSE. More info will come as we move forward.

HOA Dues

Bob Reister would like to remind you all to please pay your dues and keep them current in order to avoid small claims court and additional fees.

If you have any questions or need to set up a payment plan, please contact one of these two folks:

Steve Moutray Secretary of Finances @ 697-3600,
moutray@donobi.net

OR

Bob Membership Chairman @ 697-1304,
robereist@aol.com

Thank You!

What Our Dues Do....

First things first....thank you very much to those community members who pay your dues on time. Thanks to you we all get to enjoy our beautiful beach park, new cabana, properly flushing toilets at the beach, playgrounds, tennis and basketball courts for our kids, and poo bags for our dogs.

Easter egg hunts, summer barbeques and luaus, fall festivals, movies at the beach, concerts and photos with Santa.

And that's just the fun stuff.

On top of that, when dues are paid we are able to work from a collection of funds that will enable larger issues of concern to be addressed. Lighting, better roads, weed trimming, speeding signs and perhaps even a community center can all be implemented, all thanks to our dues.

Even with all of these fun and important issues there are still some people who think paying dues is a waste of money. To those folks, I welcome you to join in with everything this neighborhood has to offer you. For those who say the board could spend the dues differently or on more important things, we all welcome you to come to meetings and participate. If you want things to be different, come make a difference.

Besides, it is much more fun to meet your neighbors over grilled salmon at the beach than it is in a courtroom. So please do your part and help contribute to our great community. Thanks!

Gals...how would you like a Ladies Night Out?

Laura Dusek, our friendly neighborhood Facebook manager and First Lady (of the HOA board, that is) is setting up a monthly get-together for us community ladies. Here are the details:

Last Friday of Every Month

First Event September 30th

Wine & Chocolate Tasting

Bonfire Location TBD depending on weather

(Further Details will be posted on Edgewater Facebook community page.)

Time: Still unofficial but 7pm - 9:30 or so, depending on how much fun we are all having.

For this event Laura needs to know exactly how many want to attend.

Every month the activity will be something different.

Switching Seasons.....

***EBCC's Christmas Party and photos with
Santa will be***

Saturday, December 10th at NOON sharp!

EBCC will provide cocoa, coffee, cider and cookies.

**Please remember to bring canned food for our annual
donation to local food banks.**

Fingers crossed for dryer and less blustery weather this year!!

Community News...

*Our caretaker, John, would like to extend special thanks to the North Kitsap Football team for how well they cleaned up the beach park and cabana after their recent gathering.

*As the rainy season approaches, we would like to remind property owners to keep the vegetation in and around drainage culverts well trimmed to avoid flooding troubles. The County staff has been reduced, so we don't know when or if they will be trimming in our neighborhood any time soon. If you are so inclined, a call to the County Commissioner may help plead our case. (360) 337-7146 Thanks!

Community Voice...we want to hear from you!

Do you have a great idea, suggestion or concern that you would like to see voiced in the newsletter? Here is your opportunity to be heard. Please email Daria at daria.ebcc@gmail.com.

Quote of the Quarter
